Objective

To secure an IT internship position where I can leverage my strong analytical and problem-solving skills, along with my passion for technology, to contribute effectively to a team. Eager to gain practical experience in a professional IT environment, I am committed to learning and applying new technologies while assisting in the successful execution of projects. My proactive attitude, coupled with a solid foundation in relevant coursework, positions me as a dedicated and motivated candidate ready to make valuable contributions to your organization.

Experience

Bartender/Server, Old Town Pizza
June 2022 - Present

Served as a dynamic and customer-focused Bartender & Server in a high-volume restaurant. Efficiently prepared and served beverages, ensuring a positive dining experience for guests. Demonstrated exceptional multitasking abilities, handling cash transactions and managing customer orders with accuracy. Collaborated with the team to maintain a clean and organized bar area. Proactively engaged with customers, providing friendly and prompt service.
